

REMARKS

Claims 12, 13 and 17 are pending in the present application. Claim 12 has been amended herein. Please enter the amendment filed on March 31, 2008 before entering this amendment.

I. FORMAL MATTERS

Applicant notes with appreciation that the Final Office Action acknowledges the claim to priority and indicates that the copy of the priority documents filed on June 7, 2002 have been received.

Applicant notes with appreciate that the Office Action again indicates that the formal drawings submitted on March 1, 2002 are acceptable.

II. REJECTION UNDER 35 U.S.C. § 112, FIRST PARAGRAPH

Applicant notes with appreciation that the rejection of claim 13 under 35 U.S.C. § 112, first paragraph, has been withdrawn.

III. PRIOR ART REJECTION

Claims 12, 13 & 17 are rejected under 35 U.S.C. § 102(b) as being anticipated by U.S. Patent No.: 5,578,808 (Taylor). This rejection is traversed.

Applicant has amended independent claims 12 and 17 to replace “fitness tool” with “exercise machine.” Examples of an exercise machine comprise: a stepper, a dumbbell, a twister, a jump rope, an exercise bike and a walker (see page 15 of the present application). Applicant submits that Taylor does not teach or suggest a data acquiring unit / module that communicates with an exercise machine, and does not teach or suggest to give a character string or image as a reward for the exercise of the user using the exercise machine.

In the Advisory Action, the Examiner asserts that the computer of Taylor reads on a “fitness tool.” Applicant submits that a computer does not read on “an exercise machine.”

Thus, because Taylor does not teach or suggest each and every element of claims 12, 13 and 17, claims 12, 13 and 17 are not anticipated by Taylor. Therefore, Applicant respectfully requests the Examiner to withdraw the rejection of claims 12, 13 and 17 under 35 U.S.C. § 102(b).

Accordingly, Applicant respectfully submits that the present application is in condition for allowance, and allowance is respectfully solicited.

If the Examiner believes that any outstanding issue could be resolved through a telephone interview, Applicant kindly requests the Examiner to contact the undersigned at the telephone number listed below.

Applicant believes that no additional fees are due for the subject application. However, if for any reason a fee is required, a fee paid is inadequate or credit is owed for any excess fee paid, you are hereby authorized and requested to charge Deposit Account No. **04-1105**.
